

PUNCTAL PLUG BILLING

The following is a breakdown of charges for temporary or permanent Punctal Plugs. If you have insurance we will bill the charges for you. Since we work with so many insurance companies we don't always know what your insurance pays in relationship to these charges so you may want to call them to obtain your benefits.

MEDICARE AND PRIVATE INSURANCE:

Temporary or Permanent Punctal Plugs:

Punctal Occlusion: Procedure Code: 68761 One Eye: \$ _____
Punctal Occlusion: Procedure Code: 68761 Both Eyes: \$ _____

TOTAL FOR BOTH EYES: \$ _____

Patients will need to be seen _____ days after the plugs are inserted to check your dry eye condition. Should you have any problems and need to have a plug replaced within _____ days there will be no charge for the plug but please note there will be an office visit charge. If a plug needs to be replaced after _____ days, there will be a charge.

I have read the above and understand the cost. _____
